Answeam Low GROUNDS, 1 to work. DEAR BILL: Do you remember all the sine speeches you and Gen'l. Black made alone; use the lungs of the press. tried it one year, and I would like to or the labor of other men's hands; know about what time the funny part be. steam power if possible. perience before he succeeds, and ain't it are prepared to do business, How long does a man have to expossible than ordinary man might run on which you are uninformed; listen and through and break down before he got learn. a fair start? Don't a man sometimes get too old and fat for his business before he begins it? The truth is Bill I'm afterd cease the sconer; you cannot gain by his I've mistook my okkapation, or else I've located on sumbody elses land. Armuchee creek is mity good for mill ponds, and has to be managed keerfully. The to all.

and see my corn growin all day long. I intended to hav a cornehukin in the fall and invite you all up and hav the biggest frolie in the world. It actually bothered me at night thinkin who I'd ax and who I wouldent, and how I'd fix up for 'em.

That corn has never cum up yit. Its gone where the cowich twineth and the snake root twisteth, and the crawfish boreth his hole. I hired two fellers to crop it for me, and was to giv 'em ten bushels of corn apiece to the acre. The crop dident make but eight, Bill, and they took it. Old man Williamson is lettin me hav meal and is to wait on me till next crop. He's as elever a man as ever took 2 tolls out of one grist. I hired the public was sever took 2 tolls out of one grist. I hired and by the business of others alone, and they took it. Old man Williamson is lettin me hav meal and is to wait on me till next crop. He's as elever a man as ever took 2 tolls out of one grist. I hired an igger to sow down ten acres of wheat for me last fall. He sorter scratched it in and I paid him ten dollars. That wheat hain't never cum up yet, Bill, and the creation in looking after your business, and your business will not be wishess will not be world on the serious about trifies.

Wisdom and virtue make the poor rich and the rich honorable.

Wisdom and virtue make the poor rich and the rich honorable.

Wisdom and virtue make the poor rich and the rich honorable.

There is no deep nor hidden mystery to be studied or practiced to carry on business accessfully; on the contrary, all that any honest, legitimate concern, demanded by the public wants, requires far, he is highly pleased with the experiment. It requires much less labor than the sugar, as it appears that they do not store much, if any, of it in the combs. He thinks the aroma of the candy just state the test of the bees.

It would be well, perhaps, in this connection, to guard the beekeeper against discriminate use of broken candy as it is well known that the coloring matter of candles is very poisonous, such as arsenite of copper, it and I staid in town. I've almost lost all hope of its cumin up this season.

Would you plant the ground in sumthing else or not? Shokly says that he thinks that wheat sprouted downwards, and will track; confront difficulties with unified.

want a bale of shuks—a small bale—one that my old war steer can haul over the mountin. Perhaps you can git me some from Gen'l. Black. He's the President

Consider the causes of the good standing of some, and the decline and fall and want of success of others, and regulate your conduct accordingly.

The tricky, descriptial and dishonest are of the Fair and ought to hav saved shuks. I must hav sum sort of ruffness for my old steer and mule until grass cums shorely it will cum early this spring shorely it will. If it don't, why Bill, I'm busted on stock, certin. Is there any nor of such certin. Is there are nor of such certin. Is the opportunities for acquirance of such certin. Is there are no nor of the few great Agency Companies of the country, during which time it has next ere and old horticultural publication, are nor old horti

anyhow after them shuks. Major Blunt can't git 'pm I aint cumin back here no eide and act.

Whats all this news about another war?

I tell you what, Bill, when I heard it I looked right at old Dobbin and he looked right at the wagin like he was jest ready to be hitehed in for immediate flite. I was powferfully relieved when I heard it worth much.

Be civil and congging to all; it costs the point of a knife blade or wire, store, south side of Main street, Sissification, which was powferfully relieved from your duty by any idle reflections the silly world may don't hire a man from the other side of it now receiving a looked right at old Dobbin and he looked right at old Dobbin an was powferfully relieved when I heard it make upon you; their censures are not the sea, who know's less than you do: was a fus between John Bull and Yankee in your power, and consequently should Doodle. That's none of our funeral Bill, not be any part of your concorn. and I wouldent walk 40 yards to see 'em eat one another up. Yes I would-I'd leave others to talk as they will. like to be on top of Armuchee mountin and see 'em fite till every crawfish hole was filled with their blood, and then ma- probable. nure my land with their bones. But I don't want to run any more Bill-sec the world. about them shuks as soon as possible. Them yanks hav got a hankerin after ness; keep your own counsel about the me and I can't rest till they are exturmi- management of your affairs. nated. But they aint agoin to fite Old d No sir. They wouldent dewar agin a sick sheep if they John Bull is afraid of the Irish evil. and Uncle Sam is afraid of the rebs, and Treat your customers as your friends,

would kick up in case of a war. It's never recovered from the oldstrain, but there's no use in borrowin shuks. Yours truly,

BIG JOHN and just think what a savin it would be vain; one after another came forward as in clothes. Look after them shuks. Ruff-spokesman, but all with the same result;
